

\$75 Special through Aug. 31!

Portrait Session Fee ~~\$145~~

Sessions typically take 1- 2 hours and can take place at your home, your favorite outdoor location, or any of the great places that I have photographed at before and can recommend. I am very open to hearing any special ideas or requests that you may have.

After the Session

Within 2 weeks of your session, I will email you a link to a private image gallery on my website where your images will be posted for your exclusive viewing. After you view your images, I will be glad to talk to you about your order and discuss ideas for wall portraits, desk prints, collages, and many other ways to display, preserve and share your images.

This Fee is for the photographer's time and talent, post processing and online viewing gallery.

Session Fee does not include prints or any additional products.

I offer a variety of specialty products to further showcase your images, including canvas prints, custom designed greeting cards, collages, storyboards, coffee table books and albums. I also have a variety of custom frames that you can choose from for your wall portrait or gallery groupings.
